Professional Summary

Skilled writer and editor with seven years' experience in higher education, including three years' experience using Python and other languages. Published author adept at converting deep-dive research into accurate and transparent prose suited to a range of audiences. An empathetic team leader and intrinsically-motivated team member with a knack for navigating different personalities to build strong work relationships. I aim to leverage a driven academic's precision of thought in order to generate impactful content.

Relevant Skills

- Highly organized and detail-oriented content creator and editor, as evidenced by multiple on- and offline publications with varying formats, styles, and requirements
- Demonstrated ability to manage multiple research and writing workstreams, working both individually and collaboratively
- Familiar with Python, R, JavaScript, and HTML, with a motivation to deepen and expand current knowledge

WORK HISTORY

New York University Abu Dhabi | Abu Dhabi, UAE

June 2021–Present

Arabic Humanities Research Fellow

- Publishing forthcoming book with University of Pennsylvania Press, working closely with indexers, cartographers, and copy editors to deliver manuscript to deadline
- Authored and edited 16 additional publications (up to 50 pages each) with a high degree of accuracy to short deadlines, ensuring adherence to stylistic and formatting requirements
- Supervised diverse team to organize international workshop (14 participating scholars), present public talk (audience of ~200), and curate manuscript exhibition (5000+ visitors) to present new research findings on Hebrew and Arabic locally and to global audience using YouTube and other social media
- Provided expert recommendations for successful £2-million grant proposal for 5-year research project at King's College London, leading to an invitation to serve on the project's advisory board

Freelance Writer

September 2010–Present

- Web content appearing on ehow.com, online book reviews in themarginaliareview.com, readingreligion.com, and translations in the *New York Times* and *ArabLit Quarterly*
- Leverage social media to promote my publications and public engagements on Twitter @ClassyArabic (15k+ followers)

University of Cambridge | Department of Middle Eastern Studies | Cambridge, UK

2016 – 2021

Visiting Assistant Professor (2016–17) and Post-doctoral Fellow (2017–2021)

- Communicate edits to over 300 students in writing-intensive classes to ensure their professional success, with mentored students going on to roles in business, the UK and US governments, as well as acceptance at graduate programs at the University of Chicago, Oxford, and Harvard
- Effectively communicated research findings to international experts at 14 conferences (audiences of 20–100) in Europe, the US, and the Middle East, distilling complex research into unambiguous insights

University of Chicago | Near Eastern Languages and Civilizations | Chicago, IL

2010 – 2016

Doctoral Researcher

- Adapted to constantly-changing logistical needs while leading three 26-student undergraduate study abroad groups to Paris, Granada, and Rabat
- Directed weekly one-hour Arabic-language lectures, building successful trust-based relationships with Chicago-area Arabic-speaking professionals and cultural figures recruited to speak (audiences of 20–50)

RECENT CODE TRAINING

- Udacity Nanodegree in Data Analysis (June 2020, 4-month online course)
- Natural Language Processing (NLP) and Python for Arabic workshop (January 2020, 5-day course at NYU Abu Dhabi)
- Creative Coding Workshop (JavaScript for Processing, 3-day workshop at NYU Abu Dhabi, March 2023)
- Introduction to R (5-day course at NYU Abu Dhabi, March 2023)

EDUCATION

University of Chicago | Chicago, IL | *Ph.D. in Arabic Language & Literature* June 2016
